RM Light Mount • MSRP $129.99

Features and Benefits

- **Quick release mounting system for one-inch lights, lasers and accessories**

- **RM Light Mount attaches quickly & securely to any MIL-STD-1913 rail**

- **Hard anodized in a matte black non-reflective finish**

- **Made from aircraft grade aluminum**

- **Patent-pending ambidextrous RM knob**

The RM Mount is an inline mount allowing the product to be mounted anywhere on a MIL-STD-1913 rail. The unique patent-pending quick release ambidextrous RM knob allows the user to attach the mount on any side and provides the assurance that the mount is securely attached to the rail.
